Dear Colleagues,

The 2016 Vaccines For Children (VFC) provider enrollment is now available on IV4 ([www.contactkswebiz.info](http://www.contactkswebiz.info)). The Centers for Disease Control and prevention (CDC) and the Kansas Immunization Program require all VFC providers to re-enroll annually in order to continue participation in the VFC program.

Please see the attached "2016 VFC Provider Enrollment Instructions on IV4" ([http://www.kdheks.gov/immunize/download/Instructions\\_for\\_Registration\\_and\\_VFC\\_Enrollment.pdf](http://www.kdheks.gov/immunize/download/Instructions_for_Registration_and_VFC_Enrollment.pdf)).

If you are a direct entry provider for KSWebIZ, please see the attached "Eligibility Category Patient Count Report and Your 2016 VFC Enrollment" ([http://www.kdheks.gov/immunize/download/VFC\\_Category\\_Patient\\_Count\\_Report\\_and\\_Your\\_2016\\_VFC\\_Enrollment.pdf](http://www.kdheks.gov/immunize/download/VFC_Category_Patient_Count_Report_and_Your_2016_VFC_Enrollment.pdf)) for further guidance to assist with your profile.

Please complete the Online Enrollment by February 29, 2016. Timely completion and submission of your enrollment will assure your clinic receives uninterrupted vaccine delivery.

We appreciate the stewardship each provider continues to demonstrate in assuring that VFC vaccines are managed appropriately so that each child is immunized with viable, effective vaccine. Your hard work and commitment to keeping children healthy and free of vaccine-preventable disease is admirable.

If you have any questions related to the enrollment process, please contact your Regional Immunization Nurse Consultant. Contact information may be found at [http://www.kdheks.gov/immunize/vfc\\_program.html](http://www.kdheks.gov/immunize/vfc_program.html).

Thank you,
